

PRAYER SERVICE FOR SUNDAY MORNING BREAKFAST

Ceremony Leader:

Great Spirit, as we greet you this new day, be our guide and companion. Protect us from harm and lead us down the right path. When we walk in the lonesome valleys, be with us. When the way gets too hard, carry us. Be our rock and our refuge.

Help us to love the sacred circle of our families and our neighbors as ourselves. Help us to see and appreciate the beauty of your world around us, and to seek to preserve it.

Help us remember to work in friendly service to each other, to our tribe, to our families, to our communities and not lose perspective of who we are and what we hope to accomplish, and at the end of each day, give us your peace.

As our Federation does at all campouts, we will now take an offering to help support the Special Olympics of Illinois. Our generosity this morning will help provide many children the opportunity to compete throughout Illinois in various sporting events as well as the chance to build relationships with many athletes and coaches throughout our state.

Let us pray.

ALL:

Great Spirit, with this offering we give ourselves to thee. We promise to be friendly to others, and to help and serve thee in every possible way. AMEN

(Note: Kids from the Tribe doing the Church Service to walk the room collecting the offering from the Dads)

Great Spirit, we thank you for the opportunity to build a special relationship between the children and dads of our Federation. May the friendships and memories of our program last forever. Let us go in peace and continue to serve our Great Spirit in all the things that we do and all the ways that we go. AMEN
